“Helps to Feed and Care for Our Wolves”

“Running With the Wolves, Inc.” was established over 7 years ago for the Sheer Love & Passion for “Wolves”, Owned & operated by Teresa DeMaio, Cert. Pet Care Specialist & Wildlife Handler. RWTW is a Long Island based 501 (c) 3 Non-For-Profit Organization located in Ronkonkoma NY. All Donations are tax deductible. There is so much to learn about the “Wolf”, one of the MOST UNIQUE & INCREDIBLE creatures of the animal kingdom. The “Wolf” is sometimes feared as a predator, yet it is respected by those who acknowledge it’s GREAT WISDOM for survival & pack relationships. Native Americans consider the “Wolf” to be a GREAT animal that symbolizes the “Teacher”. Many people are so enamored that they want to domesticate the “Wolf”, but we think otherwise at RWTW. We strive to educate the public why a “Wolf” won’t make a good PET, as well as the need for conservation, especially in Alaska, where wolves are being killed via aerial hunting. The count of wolves killed this past year is well over 200, but the count is much higher due to the pups in the den left behind. Wolves are hunted during the first snow fall, which makes it harder for them to run & find shelter. When the pack is KILLED by the hunters, the pups, litters usually numbering between 6-9, will die a very slow & painful death. All wolf pups

depend on the family to feed them & shelter them. “Wolves” by nature are very shy, gentle & very playful. A Wolf pack is a closely knit family unit & is bonded by intense care-giving with GREAT compassion for each other.

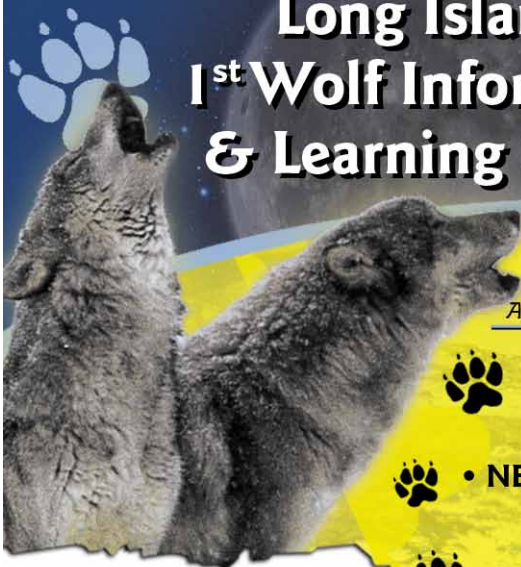

We at RWTW strongly promote “Wolf” awareness & education through our unique workshops. We offer workshops on Wolves & other Wildlife as well as Pet Safety & Pet CPR/1st Aid. Our ADOPT-A-WOLF-PROGRAM is our NEWEST program now being promoted to help feed & care for captive “Wolves” & Wolfdogs at sanctuaries that we support throughout the year. Your adoption supports our educational programs & the well being of our “Wolves”. All Donations are greatly appreciated & are tax deductible.

We are currently booking events for girl/boy scout groups, churches & libraries for Jan. 2011. Contact us at www.runningwiththewolves.org for more information & details.
